European Standardization Organizations

Linking ICT standards and European policies: the role of European standardization - CEN-CENELEC perspective

Constant KOHLER

CEN-CENELEC, ICT Standardization Programme Manager

The European Standardization System

In Europe, **harmonization** means:
1standardization solution instead of 34+

Whenever possible, preference is for
1global solution

Serving the **multi-sectoral needs** of European industry

International and European ICT standards

Upcoming 2020 version

ROLLING PLAN FOR ICT STANDARDISATION 2019

Information, Action, Cooperation
